

ACES Insights

July 2023

Christy Takacs, Executive Director

ACES just completed RFP 23-06 for **Janitorial and Sanitation Services**. We awarded 4 contracts on July 27th, so we will highlight these new vendors in an upcoming eblast. We are pleased to continue to have **Service Master** and excited to add **Clearly Clean Janitorial**, **Quality Maintenance Inc.**, and **Precision Janitorial** to our list of options for schools across New Mexico. I would like to give a shout out to **Corinne Teller**, **Stephanie Becker**, **Carissa Cantrell** and **Barb Langmaid** for helping with evaluating proposals. Your help is MUCH appreciated and we cannot thank you enough for giving ACES your valuable time. We are currently in the evaluation period for RFP 23-07 **Multisensory Reading Instruction Tutoring Services**. This month we would like to highlight **ACES Committee Members** and THANK THEM for their time, share with you a list of all the **procurement contracts** we have available, remind you about **mental health resources** available through E-Therapy, and ask you to complete a **QUICK survey**! ACES is here to support you. Reach out to us anytime!

Let us do your procurement work for you!

We Need Your Input!

QUICK Supplemental Benefits Survey

ACES is always looking for ways that we can provide support for your school. We are continuing to seek information on the need for providing supplemental benefits to your employees, particularly the 403B retirement savings plan. **If you have NOT done so already**, please fill out the THREE question survey by clicking the link below. THANK YOU!

What is eQUIP?

eQUIP is a comprehensive professional development program that provides educators, staff, and parents with the tools, resources, and support they need to recognize, respond to, and recover from mental health challenges.

eQUIP is a complete professional development program that quickly and seamlessly integrates into your school, improving health, safety and wellbeing.

eQUIP Includes Three Components:

- ✓ eQUIP On-Demand
- ✓ eQUIP Live
- ✓ eQUIP Parents

- A comprehensive professional development program designed to support educators and school staff in addressing mental health challenges in their classrooms and communities.
- Provide educators and staff with the tools, resources and support they need to recognize, respond and recover from mental health challenges. Create healthy learning environments, connect with students, and empower families to better support their children's mental health.
