

ACES INSIGHTS

APRIL 2023

CHRISTY TAKACS, EXECUTIVE DIRECTOR

IN-PERSON AND ONLINE ANCILLARY SERVICES AVAILABLE

ACES is VERY excited to inform you that we have awarded FIVE contracts to incredible vendors who are able to fill your ancillary needs! Each of them offer a unique approach that gives your school a variety of choices to meet your individual demands. We have highlighted each company this month. Reach out to me if you would like more information. In the next couple of weeks we will be soliciting for **Landscaping services** and for **Student Information Systems**. PLEASE SEND US VENDOR CONTACTS THAT YOU WOULD LIKE FOR US TO NOTIFY TO ENCOURAGE THEM TO SUBMIT A PROPOSAL. It is our hope to award multiple contracts to give you a choice in service providers for your area. We are here to help. Reach out anytime!

COMMUNICATION EXPRESS

Welcome to Communication Express, your ultimate destination for unlocking your full potential! Our team of experienced therapists is dedicated to helping individuals of all ages thrive through evidence-based practices tailored to their unique needs. We provide a comprehensive range of services, including speech therapy, occupational therapy, physical therapy, behavioral therapy, psychology, special education, social work, and diagnostic services, all available across the United States.

We're proud to offer scholarships, such as the "Brighten a Day" scholarship, to honor the legacy of Sherry Leslie Day, a compassionate person who inspired us to expand our initiatives and support those in need.

We understand that seeking therapy can be a challenging step to take, but we strive to make it a positive and rewarding experience. Our warm and friendly environment creates a safe space

for every individual who entrusts us with their care, and our team of dedicated professionals provides personalized support **both in-person and online**. With Communication Express, you can be confident that you're on the path towards reaching your goals and living your best life!

- speech therapy
- occupational therapy
- physical therapy
- behavioral & mental health counseling
- early intervention services
- dyslexia services
- educational diagnosticians
- psychoeducational assessments
- social work services
- aac assessment services

TalkPath Live is a web-based ancillary service provider offering the New Mexico Charter Schools Marketplace IEP-required therapy and interventions in the fields of speech-language, occupational, and physical therapy, counseling, social work services, dyslexia services, and early intervention. As a vendor for NMACES for five years, TalkPath Live teletherapy is convenient, secure, affordable, and effective—just as effective, in fact (and in some cases more so) than traditional in-person therapy. With TalkPath Live, highly trained and qualified therapists connect directly with students online—live, in real time, for one-on-one therapy sessions. Web-based tools and instructional strategies maximize screen time and fully engage today's technology-oriented students. Lesson plans are customized, scheduling is flexible, and services are reimbursable via Medicaid in the School.

TPL currently has clinicians available for either immediate service or for the upcoming 2023-2024 school year!

These therapists are ready to meet your school's needs, and they're happy to serve as your primary provider or as a secondary source, for however many students and hours you need, with no minimum requirements. Best of all, TalkPath Live can reach any student anywhere at any time, expertly and compassionately treating the full array of communicative, cognitive, mobility, and developmental deficits, disorders, and disabilities.

LSG AND ASSOCIATES, INC.

[LSG and Associates, Inc.](https://www.lsg4schools.org) is a nonprofit that provides ancillary and related services, compliance support, Autism coaching and staff, and training and clinic services. We have wonderful staff who committed to ensuring that students in New Mexico receive the support and services they require to benefit from instruction. Our trainers are well versed in special education law (IDEA), effective strategies, NMPED regulations, and the many agencies that support our students and families from early childhood to the world of employment. LSG works very hard to customize our services to meet the unique needs of all schools and staff. We have talented individuals who have been special education directors, regional education center support staff, and service providers. It is our passion to support schools to improve outcomes for students with disabilities through compliant and efficient guidance to the schools we serve.
