

ACES Insights

December 2023

Christy Takacs, Executive Director

Looking forward to next year, I wanted to remind you of the upcoming solicitations that we will be doing on your behalf, as well as plans ACES has for growth and improvement. Our list is dynamic as we are always listening to your needs, so please let us know if there is a service or product we can consider adding to our list. **Our next solicitation will be for fencing. PLEASE LET US KNOW OF VENDORS THAT YOU WOULD LIKE FOR US TO CONTACT** to inform them of their opportunity to submit a

proposal. We look at vendors all across the state and intend on awarding multiple contracts. As always, please reach out anytime. We are here to support you.

Upcoming Procurement Opportunities

- Educational Technology *end of contract term
- Handyman Services *end of contract term
- Security Personnel *end of contract term
- Fencing
- Playground Equipment
- Turf/Surfacing (safety/playground)
- Flooring
- Furniture

Looking Forward

- Updated logo and website to include access to vendor contracts
- Elimination of 3 Party Agreement – Streamline the process
- Additional procurement personnel to assist with construction
- Continue to grow membership by adding other governmental agencies

Please let us know what your upcoming needs are so we will know how we can best support you.
