NOTICE OF AWARD
ACES RFP 24-03 – HANDYMAN SERVICES

Dear Mr. Hampton,

ACES has awarded a contract to your company under RFP 24-03 for Handyman Services. As anticipated, multiple awards have been made through this solicitation and the following company also received an award: ACE Handyman Services of Albuquerque.

The commencement date of this multiterm contract is July 1, 2024. The contract will run for up to five annual terms, or through June 30, 2029, unless otherwise terminated by either party prior to that date. Annual renewals will happen automatically without notice except in the event of non-renewal for which written notice will be given.

An Agency Agreement and Incorporating Contract (AAIC) will be forwarded for your signature under a separate email within the next few business days. That agreement will incorporate both the RFP document and your proposal into a “summary” type agreement for easier use and reference by our members. It will be sent through Adobe Sign, and sometimes gets routed to junk or spam folders, so be sure to watch for it there if you don’t see it in your inbox soon. Also, if the contract should be sent to someone other than you for signature, please let us know.

Feel free to utilize the contract for marketing handyman services to public agencies anywhere in New Mexico. If they are not already an ACES member (participating agency), just refer them to me to get them established. Quotes for desired services shall be provided to the participating agency based on the individual scope of work desired or otherwise negotiated at the rates set forth under this contract as applicable. Purchase orders (POs) will be issued to you by ACES once a PO is received from the participating agency referencing you as the contractor and RFP #24-03. **Please note that no services shall be provided to any participating agency until a purchase order is issued to you by ACES on behalf of that agency.** In addition, all invoices shall reference the corresponding ACES PO # for correct routing.
