

ACES Insights

June 2024

Christy Takacs, Executive Director

ACES is excited to add two **Handyman Services** contracts that are available for your use! We awarded to **ACE Handyman** and **ServPro**. You can learn about them below. We are about to wrap up the **Unarmed Security Services** RFP and hope to have contracts available for you to begin using in July. I'd like to thank Jenn Prye and Tammy West for helping to evaluate proposals for the Handyman RFP. **We are ALWAYS needing help with evaluations.** We do the best we can to make it easy to complete, taking up the least amount of your time as possible. Please let us know if you or anyone on your staff would be willing to serve on an upcoming evaluation committee. I want to give a BIG SHOUT OUT to Bridget and Amanda at Albuquerque Aviation Academy for hosting the job fair last week. We are hopeful ACES can get back to making this an annual event to help support our member schools in filling positions. ACES continues to grow, so PLEASE reach out to us! We just might be able to help you with your needs. We are here to support you.

Gr̃w Schools Marketplace Highlight: Grow Schools

Exciting news from us today: Charter School Capital has a new name!

Say hello to [Grow Schools](https://growschools.com/).

At Grow Schools, our vision remains the same: that all kids have access to a nurturing environment where they can flourish. This name change reflects our dedication to helping you get where you're going—with the money, resources, and know-how to create thriving schools.

For the past 17 years, we have fostered enduring relationships with schools like yours, gaining valuable insights into your needs, aspirations, and challenges. Reliable funding is crucial for your success. But it doesn't stop there—we love helping schools with enrollment support, school building enhancements, expansions, and the path to building ownership.

We are excited about this evolution, and we look forward to continuing to support you as Grow Schools. Together, let's imagine all your school can be!

Marketplace Highlight: managed. by Project Idea

Reduce Special Education Workload

Eliminate 75% of Time Spent on Logistics for Special Education

In today's educational landscape, teachers face challenges in coordinating meetings and organizing their caseloads to cover the many tasks compliance requires. Managed. offers a transformative solution. It automates emails, scheduling, and surveys, streamlining processes for IEP and Evaluation meetings. By tracking tasks and providing organizational support, Managed. empowers teachers to execute efficiently and shift their focus to students.

Managed. partners with schools and districts to streamline and simplify the case management process. Our tech-enabled platform automates compliance-associated tasks, allowing teachers

and support staff to focus on students and student achievement. We provide schools with a custom system to reduce teacher workload and support teacher recruitment/retention efforts to address both the short-term and long-term needs required to improve special education.

Our user-friendly platform automates compliance tasks, freeing up teachers and support staff to concentrate on student needs. You can find out more about managed's features [here](#).

What Our Clients Say

"Managed. is worth a serious look from anyone in education. I hire teachers. Hiring & retaining special education teachers is particularly challenging. I want to offer something meaningful that sets us apart from other schools in terms of the support we provide special education teachers. As a principal, I'm tired of seeing my amazing special education teachers struggling so much."

- Brad White, School Director, DSST: Byers Middle & High School
