RECITALS

WHEREAS, the Joint Powers Agreement (JPA) that created ACES, indicates one of its lawful purposes is, “Purchase of professional services, construction services, and tangible personal property for local public bodies and state agencies when so requested and in accordance with the requirements of the Procurement Code”, and

WHEREAS ACES Members are charter schools party to the JPA as approved by Secretary of the New Mexico Department of Finance and Administration or an ACES Participating Agency, and

WHEREAS the CONTRACTOR was awarded a contract in response to ACES RFP 25-01, and

WHEREAS the parties agree that it is desirable to participate in the cooperative procurement of, or use of an established price agreement for MARKETING AND/OR DATA ANALYTICS SERVICES, to avoid duplicate procurement efforts and obtain the benefits of volume purchasing; and

WHEREAS, ACES, pursuant to the powers vested in it through the JPA, has awarded an Acceptance of Offer and Contract Award to CONTRACTOR to provide MARKETING AND/OR DATA ANALYTICS SERVICES to schools that are parties to the JPA and to Participating Entities that have an Agreement with ACES and represents to its members that said services are for a price that provides economic and other advantages for its members, and

WHEREAS, ACES has initiated a contract for DATA AND ANALYTICS SERVICES and provides it to Participating Agencies in accordance with the Procurement Code NMSA 1978, §§ 13-1-21 to 199 and the New Mexico School Personnel Act NMSA 1978, §§ 22-10A-1, *et seq.*, and such other laws and regulations applicable to this contract, and

WHEREAS, ACES Participating Agencies participate in the solicitation, evaluation and/or use of cooperative contracts managed by ACES, or utilize established price agreements formally solicited by ACES, and become parties to this contract by issuing a valid purchase order referencing this contract, and

WHEREAS, the following documents are hereby incorporated into this contract by reference and made part of this contract:

- RFP 25-01 document with all addenda
- CONTRACTOR'S response to RFP 25-01 as amended and/or otherwise negotiated and awarded by ACES, and as summarized in Attachment A.

NOW, THEREFORE, the parties hereto, in consideration of mutual covenants and promises contained herein,

IT IS MUTUALLY AGREED BETWEEN THE PARTIES:

1. PURPOSE

The purpose of the Agreement is to authorize the parties' mutual participation in RFP 25-01 with the CONTRACTOR.

2. TERM OF THE AGREEMENT

A. *Effective Date.*

- 1) This Agreement shall be deemed effective between ACES and the CONTRACTOR as of **March 14, 2025**, and shall remain in effect until **March 14, 2029**, unless ACES exercises the right of non-renewal during any subsequent term, or unless termination otherwise occurs by either party.
- 2) This Agreement shall be deemed effective between the CONTRACTOR and the ACES Participating Agency upon issuance of a valid purchase order referencing this contract. The date of the agreement commencement between the ACES Participating Agency shall be the date of the purchase order. The purchase order must be dated prior to the final termination date of the total contract term. The term of the agreement between the CONTRACTOR and the ACES Participating Agency is subject to §13-1-150 NMSA 1978.

B. *Termination Notice.* This Agreement may be terminated for cause or convenience by an ACES Participating Agency with a minimum of 10 days written notice to the CONTRACTOR; may be terminated for cause by ACES with a minimum of 30 days written notice to the CONTRACTOR; may be terminated with or without written notice upon mutual agreement of both the Participating Agency and CONTRACTOR at any time, or may be terminated by the CONTRACTOR with at least thirty (30) days written notice to ACES and the appropriate ACES Participating Agency.

Immediate termination may only occur if determined necessary in writing by the Participating Agency and approved by ACES. Such shall be based on either egregious non-performance or cause by the CONTRACTOR, or severe, emergency or uncontrollable circumstances on behalf of the Participating Agency.

Prior to exercising any termination, the Participating Agency is responsible for documenting and notifying the CONTRACTOR of any issue(s) regarding service and allowing the CONTRACTOR a reasonable opportunity to remedy the issue(s) prior to termination. This provision is not exclusive and does not waive each party's other legal rights and remedies caused by the ACES Participating Agency,

ACES or the CONTRACTOR for default/breach of this agreement. In terminating, neither party may nullify obligations already incurred for performance or fail to perform professionally prior to the date of termination.

- C. *Termination Management.* Immediately upon receipt by either ACES Participating Agency, CONTRACTOR or ACES of Notice of Termination of this Agreement, none of the parties shall: 1) incur any further obligations for salaries, services, or any other expenditure of funds, 2) shall enter any additional requests for services, 3) parties shall comply with all directives issued by the other parties in the notice of termination as included in this Agreement, and 3) all parties shall take such action as ACES Participating Agency, CONTRACTOR or ACES shall direct for protection, preservation, retention or transfer of all property and all records generated under this Agreement. Within thirty (30) days of receipt of Notice of Termination the ACES Participating Agency shall pay ACES according to the terms of Section 5, below.

3. RELATIONSHIP OF THE PARTIES

- A. This Agreement is between ACES and the CONTRACTOR. Whenever an ACES Participating Agency issues a purchase order in response to CONTRACTOR'S written or verbal quote, based on and referencing this contract, the ACES Participating Agency then becomes party to this agreement and a binding contract between the three parties is created.
- B. CONTRACTOR acknowledges and agrees that ACES' purpose and function is to act as a cooperative procurement agent on behalf of its Participating Agencies so that they may take advantage of these procurement efforts. ACES does not have any subsequent responsibility relating to the quality and fitness of any Products, or the performance of any Services and Construction Services by Contract Holder. Any purchase orders placed by an ACES Participating Agency with Contract Holder directly or through ACES and any resulting contract between the CONTRACTOR and an ACES Participating Agency do not create any additional obligations on the part of ACES.
- C. For transactions which involve ACES transmitting purchase orders on behalf of an ACES Participating Agency to CONTRACTOR, ACES volunteers to act as a payment facilitator to make payments to CONTRACTOR with funds transferred to ACES by the ACES Participating Agency in accordance with the Participating Agency's written instructions and to provide an accounting of all monies paid or received by ACES pursuant to this Agreement. ACES also volunteers to provide informal mediation services between CONTRACTOR and ACES Participating Agency in the event any dispute arises between them.
- D. CONTRACTOR understands and agrees that upon ACES' receipt of funds from the ACES Participating Agency, ACES has no right or authority to thereafter apply those funds to any purpose other than as instructed by the ACES Participating Agency. ACES shall incur no liability to the CONTRACTOR except for liability arising from ACES' own gross negligence or willful misconduct to the extent

allowed by New Mexico law. Through this procurement process and subsequent contract, CONTRACTOR is authorized to provide the described products or services. ACES has no obligation or right to involve itself with the manner or method by which CONTRACTOR provides the products or services.

- E. It is not the intent of the parties to this Agreement, nor shall this Agreement be interpreted to create a new or separate legal entity for the performance of this Agreement.
- F. Each party shall maintain its own respective records and documents associated with the Agreement in accordance with the records retention requirement applicable to public records or as otherwise specified in the contract documents.
- G. CONTRACTOR is responsible for the quality and delivery of the goods and services provided under the Agreement.

4. SCOPE OF WORK

- A. **Services Provided.** Services and/or items shall be provided as stated in the contract documents and as otherwise negotiated and agreed to between the CONTRACTOR and ACES Participating Agency for a specific scope of work.

The terms and conditions of this contract shall form a part of each order issued hereunder. The items and/or services to be ordered shall be as listed herein and as otherwise quoted to the ACES Participating Agency by the CONTRACTOR in reference to this contract. All orders issued hereunder will bear both an order number and this ACES contract number. - C. **Payment Procedure.** The ACES Participating Agency using this ACES contract shall provide a Purchase Order to ACES* referencing the ACES Contract Number and a specific dollar amount or a "not to exceed amount" for the products and/or services to be ordered. It is recommended that the amount be based on written quote provided by the CONTRACTOR. The Purchase Order shall include the shipping address(s) of the ACES Participating Agency receiving the order.
